Definition!

What is a sock snowman?

A sock snowman is a Christmas decoration that can easily be done by everyone and will last longer than the winter season.

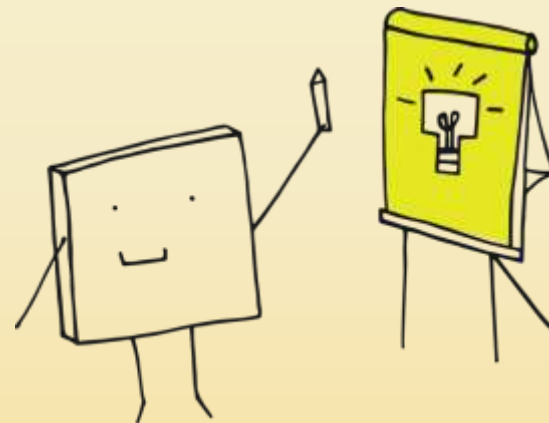

The idea is to create your own snowman in the absence of snow that can easily be decorated and even used as a toy.

B: About the training

Training phase

Task 1:

STEM for Inclusive Schools
Project no:
KA220-NW-23-30-151162

- Let's have a look at the following video:

<https://www.youtube.com/watch?v=mlOieRRVBm0>
Accessed at: 03.01.2025

- Describe what you saw in a short text.
If you are not able to write, please, work together with other persons or record an audio about your ideas with your mobile phone.

Project no:
KA220-NW-23-30-151162

Task 2:

- Make a list with all the materials necessary. Work individually or together in groups of two and include also the learners who are not able to draw on their own by integrating their comments and ideas.
- You have 60 minutes for the creation.
If you have people with special needs in your group you will get additional 10 minutes for the creation while the other groups have to check and improve their solutions.
- Please, collaborate. Support learners with visual impairments or disabilities. Afterwards, everyone should share ideas.

Task 3:

STEM for Inclusive Schools
Project no:
KA220-NW-23-30-151162

- Create your sock snowman:
- Display it and observe the other sock snowmen.
- Openly discuss with the others and share your observations and experiences. Everybody has to be involved according to discuss classroom norms and community agreements.

H5P- Tasks 1 about the key items necessary for the sock snowman

Fill in the white blanks with the correct word.

1									
2									
			3						

Across

1 Name of the item used for creating the body of the snowman. (4)

2 The body of the snowman will be filled in with? (4)

3 What is mainly used to fix decorative items on the snowman? (7)
